Synopsis Books:

Adrian Maddox fled his royal life and tragic past in Sector One, choosing instead to join up with the Oâ€™Kanes. For years, heâ€™s lived by one rule: love fast, love hard, and always be willing to walk away. Heâ€™s managed to guard his heart, keep it whole and untouched until now. They couldnâ€™t be more differentâ€”Dylan, the brilliant, burned-out doctor from Eden who drowns his pain with drugs and self-destruction. Scarlet, the sensuous, sexy rocker from Three, a woman unafraid to embrace the world. And Jade, the whore turned spy from Sector Two, who battled addiction and came out stronger than anyone heâ€™s ever met. Separately, they make Mad long to open his heart, to tumble head-first into a sea of possibilities and wild love. Together, they make him burn, inside and out, with lust and unbearable, unimaginable pleasure. Then one fateful moment shakes their world to its foundations and leaves the sectors on the verge of all-out war with Eden. Itâ€™s the biggest fight the Oâ€™Kanes have ever faced, and Mad and his lovers are at the dead center of it. They could end up with everything they never knew they wanted or lose it all. Including their lives.
