## Synopsis Books:

**New York Times bestselling author Gena Showalter returns with an irresistible Original Heartbreakers story about a woman who's never felt desired and the man who wants her more than air to breathe**—Bullied in high school, Dorothea Mathis's past is full of memories she'd rather forget. But there's one she can't seem to shake—her long-standing crush on former army ranger Daniel Porter. Now that the sexy bad boy has started using her inn as his personal playground, she should kick him out—but his every heated glance makes her want to join him instead. Daniel returned to Strawberry Valley, Oklahoma, to care for his ailing father and burn off a little steam with no strings attached. Though he craves curvy Dorothea night and day, he's as marred by his past as she is by hers. The more he desires her, the more he fears losing her. But every sizzling encounter leaves him desperate for more, and soon Daniel must make a choice: take a chance on love or walk away forever.
