Synopsis Books:

Homicide Detective Vance Summers has seen his fair share of bloody crime scenes, but nothing could have prepared him for the gore he is about to endure, not even his nine years of experience on the job. A serial killer is on the loose in Los Angeles attacking whole families, and Vance is the only one who can catch him. But thatâ€™s not what the killer seems to think. What becomes a fun game of cat and mouse to the killer, turns Vanceâ€™s life into a living hell for him, his family, and his friends. Sweet, demure Melina Higgins is minding her business when â€œ BAM! â€œ she literally crashes into the most gorgeous man she has ever seen. Although hesitant to date a man whose dangerous job consumes his life, she is unable to control her attraction to this sexy, sensitive, family man. When a serial killer sets his sights on her new detective boyfriend, Melina has no choice but to help fight for her manâ€™and her life. *Warning* This book is intended for mature readers over the age of 18. There is a short rape scene integral to the storyline.
