Synopsis Books:

This is a crossover novella featuring characters from both the Seaside and Ruin series Lead singer of AD2 Demetri Daniels only wants one thing... To marry the love of his life and make the day perfect for her. But perfect isn't exactly happening, not with his sister-in-law going into labor, or with rabid fans discovering their wedding location, or birds suddenly attacking the rehearsal dinner. It doesn't help matters that his bride to be is starstruck as singer Ashton Hyde makes a drop in appearance to start recording their new album. Nothing is going right. And it's about to get worse.
