Synopsis Books:

Take a vacation, they said. Get away from Silicon Valley's back-stabbing and power-grabbing. Recharge the innovative batteries. Unwind, then come back stronger than ever. Instead, I got lost at sea and fell in love with an anti-social lobsterman. **There's one small issue: Owen Bartlett doesn't know who I am. Who I really am.** ~~I don't like people. I avoid small talk and socializing, and I kick my companions out of bed before the sun rises. *No strings, no promises, no problems.* Until Cole McClish's boat drifts into Talbott's Cove, and I bend all my rules for the sexy sailor. **I don't know Cole's story or what he's running from, but one thing is certain: I'm not letting him run away from me.** *Fresh Catch is a standalone novel. A portion of this novel appeared in the 2016 anthology INCOGNITO. The story has been substantially expanded.*
