## Synopsis Books:

**From the *New York Times* bestselling author of *The Bedding Proposal* comes a seductive new novel about the most devilishly dangerous men in London...**When Lady Esme Byron happens upon a gorgeous naked man sleeping beside a secluded country lake, she can't resist the impulse to sketch him. But when her highly improper drawing is mistakenly revealed at a party, she finds her once-pristine reputation in tatters. Gabriel, Lord Northcote, may be a notorious rakehell, but he is still stunned to find himself accused of despoiling a duke's sister—especially since he's never set eyes on her. When Esme's six irate brothers demand a hurried trip down the aisle, he has no choice but to comply. He thinks he can forget about his inconvenient bride but Esme Byron is no ordinary woman and Gabriel is about to learn just how unforgettable she can be.
