Synopsis Books:

Quinn Iâ€™d say Iâ€™m down on my luck, but thatâ€™s an understatement. Iâ€™m flat on my ass. Homeless, hungry and in hiding with my little sister at the age of twenty-one, Iâ€™ve never been so desperate. Iâ€™ve hit rock bottom when I get an offer I canâ€™t refuse. Sell my body to save my sister? Thereâ€™s nothing I wonâ€™t do to keep her safe. I make the rules and Iâ€™m not afraid to defend myself if this rich guy crosses the line. But once I see beneath his cold, calculating facade, the lines arenâ€™t so clear anymore. **Andrew** Sheâ€™s an intoxicating mix of tough and vulnerable Iâ€™ve never known before. This homeless woman who fits right into my upper-class world is running from someone powerful, and Iâ€™ll do whatever it takes to protect her. But Quinn isnâ€™t meant to be controlled, so Iâ€™m forced to choose between owning her and loving her. Iâ€™ve finally met my match, and Iâ€™ll do whatever it takes to make her truly mine.
