## Synopsis Books:

Aerial combat brings a thrilling new dimension to the Napoleonic Wars as valiant warriors ride mighty fighting dragons, bred for size or speed. When HMS Reliant captures a French frigate and seizes the precious cargo, an unhatched dragon egg, fate sweeps Captain Will Laurence from his seafaring life into an uncertain future — and an unexpected kinship with a most extraordinary creature. Thrust into the rarified world of the Aerial Corps as master of the dragon Temeraire, he will face a crash course in the daring tactics of airborne battle. For as France's own dragon-borne forces rally to breach British soil in Bonaparte's boldest gambit, Laurence and Temeraire must soar into their own baptism of fire.
