Synopsis Books:

As children, they played games of myth and magic—Veronica Kent fell in love with Caith Breckwood when they were children. As a teenager, she was certain he was the man she was destined to marry. But a traumatic event from Caith's past led him to fear a future together. He left Veronica, hoping to save her from a terrible fate. Twelve years later, Caith, now a P.I., is hired to investigate bizarre incidents at the secluded retreat Veronica manages. Returning to his hometown, Caith is forced to face his nightmares—and his feelings for the woman he's always loved. **Then one day, the monsters became real.** After the callous way Caith broke her heart, Veronica isn't thrilled to see him again. But strange occurrences have taken a dangerous toll on business at Stone Willow Lodge. Forced to work together, Veronica discovers it isn't ghostly apparitions that frighten her, but her passion for a man she has never forgotten. Or forgiven. Can two people with a tarnished past unearth a magical future?
