Synopsis Books:

Wizard sentinel DJ Jaco thought she had gotten used to the chaos of her life in post-Katrina New Orleans, but a new threat is looming, one that will test every relationship she holds dear. Caught in the middle of a rising struggle between the major powers in the supernatural world—the Wizards, Elves, Vampires and the Fae—DJ finds her loyalties torn and her mettle tested in matters both professional and personal. Her relationship with enforcer Alex Warin is shaky, her non-husband, Quince Randolph, is growing more powerful, and her best friend, Eugenie, has a bombshell that could blow everything to Elfheim and back. And that's before the French pirate, Jean Lafitte, newly revived from his latest "death," returns to New Orleans with vengeance on his mind. DJ's assignment? Keep the sexy leader of the historical undead out of trouble. Good luck with that. Duty clashes with love, loyalty with deception, and friendship with responsibility as DJ navigates passion and politics in the murky waters of a New Orleans caught in the grips of a brutal winter that might have nothing to do with Mother Nature. War could be brewing, and DJ will be forced to take a stand. But choosing sides won't be that easy.
