### Synopsis Books:

A new dark romance novel from the New York Times bestselling author of Wanderlust and Prisoner. I came from a place of dirt floors and holy scriptures. They told me the world outside was full of sin, and the first night I escape, I find out it's true. Ivan saves me, but he does more than that. He takes me. He makes me his own girl. My conditioning runs too deep. Ivan sees what I am. That's the thing about showing a mouse to a cat. He wants to play. And it's terrifying, even for me. Because the only thing darker than my past is his.
