### Synopsis Books:

Bestselling author Kurt Remington lives to write. He spends twelve hours a day in front of his computer, rarely leaving the seclusion of his beach-front property, where heâ€™s come to finish his latest thriller â€” that is, until free-spirited Leanna Bray nearly drowns in the ocean trying to save her dog. Kurtâ€™s best-laid plans are shot to hell when he comes to their rescue. Kurtâ€™s as irritated as he is intrigued by the sexy, hot mess of a woman who lives life on a whim, forgets everything, and doesnâ€™t even know the definition of the word organized. Leannaâ€™s come to the Cape hoping to find a fulfilling career in the jam-making business, and until she figures out her own life, a man is not on the menu. But Leanna canâ€™t get the six-two, deliciously muscled and tragically neat Kurt out of her mind. She tells herself sheâ€™s just stopping by to say thank you, but the heart-warming afternoon sparks an emotional and unexpectedly sweet ride as Kurt and Leanna test the powers of Chemistry 101: Opposites Attract. *Read, Write, Love at Seaside* is the sweet edition of the steamy romance novel *Read, Write, Love* by *New York Times* bestselling author Melissa Foster and conveys all of the passion you expect between two people in love, without any explicit scenes or harsh language.
