Synopsis Books:

The bookstore smash-hit returns for a brand-new story, picking up the threads from the most recent bestselling Rivers of London novel, *The Hanging Tree*. Peter Grant, apprentice magician and freshly-made Detective, tackles supernatural crimes for the London Met, walking the fine line between two worlds to keep the peace. A welcome return, and Aaronovich and Cartmel have never been on finer form. The script and art mesh together as well as the best TV shows or films do, really a team effort in every sense. - Nerdly
