Synopsis Books:

10PM: Closing time at Caf  Flores. The door should be locked, but it isn't, Scott Bradley and Winsome Sommervil are about to become hostages. TEN MINUTES BEFORE CLOSING: Scott's girlfriend breaks up with him in the caf 's basement storeroom because he's late picking her up for the big end-of-the-year party. Now he can't go to the party, but he can't go home, either not knowing his dad will still be in a drunken rage. Meanwhile, Winny wanted one night to let loose, away from her mother's crushing expectations. Instead, she's stranded at the caf  after her best friend ditches her in a misguided attempt at matchmaking. TEN MINUTES AFTER CLOSING: The first gunshot is fired. Someone's dead. And if Winny, Scott, and the rest of the hostages don't come up with a plan soon, they may not live to see morning. Told from both Winny and Scott's perspectives, and alternating between the events leading up to and following the hold-up, Ten After Closing is an explosive story of teens wrestling with their own challenges, thrown into circumstances that will test their very limits.
