Synopsis Books:

There is a secret organization that cultivates teenage spies. The agents are called Love Interests because getting close to people destined for great power means getting valuable secrets. Caden is a Nice: the boy next door, sculpted to physical perfection. Dylan is a Bad: the brooding, dark-souled guy who is dangerously handsome. The girl they are competing for is important to the organization, and each boy will pursue her. Will she choose the Nice or the Bad? Both Caden and Dylan are living in the outside world for the first time. They are well-trained and at the top of their games. They have to be "whoever the girl doesn't choose will die." What the boys don't expect are feelings that are outside of their training. Feelings that could kill them both.
