Synopsis Books:

Inspired by the work of Shirley Jackson and Susan Hill and set in a crumbling country mansion, *The Silent Companions* is an unsettling gothic ghost story to send a shiver down the spine...Newly married, newly widowed Elsie is sent to see out her pregnancy at her late husband's crumbling country estate, *The Bridge*. With her new servants resentful and the local villagers actively hostile, Elsie only has her husband's awkward cousin for company. Or so she thinks. But inside her new home lies a locked room, and beyond that door lies a two-hundred-year-old diary and a deeply unsettling painted wooden figure – a Silent Companion – that bears a striking resemblance to Elsie herself..
