### Synopsis Books:

**Welcome to Nocturne Falls, the town where Halloween is celebrated 365 days a year.** The tourists think it's all a show: the vampires, the werewolves, the witches, the occasional gargoyle flying through the sky. But the supernaturals populating the town know better. Living in Nocturne Falls means being yourself. Fangs and all. After seeing her maybe-mobster boss murder a guy, Delaney James assumes a new identity and pretends to be a mail order bride. What she doesn't know is her groom to be is a 400-year-old vampire. Hugh Ellingham has only agreed to the set up to make his overbearing grandmother happy. His past means love is no longer an option. Except he never counted on Delaney and falling in love for real. Too bad both of them are keeping some mighty big secrets...
