Synopsis Books:

Samantha Hall needs a fresh start. Broken hearted and alone in a new city, Samantha begins to build a new life for herself while working as a bartender. Focusing on her new friends and rebuilding her broken life, Samantha is content. Until she meets him – attorney by day and a cocky, foul mouth playboy by night. All girls want Slade Long, but not one has ever been able to keep his attention for long. Having a different woman in his bed every night is how he prefers it—no emotion, no connection. Until he meets her - an angel with the sweetest voice he has ever heard and the most enticing green eyes. Samantha makes him second guess his actions and has him wanting something he didn't know existed. How can a man who has never been in love, be so sure? Can real love happen this fast? Burned by her past, Samantha struggles to keep up with the overwhelming passion she feels for Slade. She knows that he will be nothing but trouble to her already fragile heart, but how long can she continue to deny the love that she feels for him? Will Samantha let Slade prove his love is real, or will she push him away? She thought she knew love. He thought he never wanted love. Together they will show each other what they can't live without.
