## Synopsis Books:

Itâ€™s all Rydenâ€™s fault. If he hadnâ€™t gotten Meg pregnant, she would have never stopped her chemo treatments and would still be alive. Instead, heâ€™s failing fatherhood one dirty diaper at a time. And itâ€™s not like heâ€™s had time to grieve while struggling to care for their infant daughter, start his senior year, and earn the soccer scholarship he needs to go to college. The one person who makes Ryden feel like his old self is Joni. Sheâ€™s fun and energeticâ€”and doesnâ€™t know he has a baby. But the more time they spend together, the harder it becomes to keep his two worlds separate. Finding one of Megâ€™s journals only stirs up old emotions, and Rydenâ€™s convinced Meg left other notebooks for him to find, some message to help his new life make sense. But how is he going to have a future if he canâ€™t let go of the past?
