Synopsis Books:

Ralph wakes up to what others only experience in a nightmare. Chained to a shed, he has no idea where he is, or who his captor is. His memories are blurred at best. As the days press on, he finds himself experiencing a roller coaster of feelings. Hunger, thirst and pain become his only companions. Flashbacks of a happier time are all he has to keep him going. As his situation deteriorates, he finds himself doubting he ever had the very thing he wants most - a family. When Leaves Fall is a dramatic thriller with a twist. Keep the tissue box close for the ending. **WARNING:** May cause extreme sadness. Reviews For When Leaves Fall: There's no question, my official rating for When Leaves Fall is 4 out of 4 stars and I can't recommend it enough. If you like suspense, mystery or a good twist you'll love it, and even if you typically shy away from those genres you'll love it too. The book very briefly covers violence and there's no gore, brutal violence, sex or cussing. It was so good that I looked up what else C.A. King has written, and now I want to read the rest of her books as well! If they're anywhere near as good as this one she's definitely an author to follow. ~ an official OnlineBookClub.org review of "When Leaves Fall" by C.A. King Oh my, When Leaves Fall should come with a trigger warning label. This book has broken by heart but in the best possible way. It has been a very long time since I have given a book a 5-star rating, and this book more than deserves the honor. ~ Peachy Keen Reviews When Leaves Fall by C.A. King is a powerful story that strikes at the hearts of everyone, even those made of the hardest stone. C.A. King builds intense suspense throughout his short story as he delays the revelation of the captor's identity and his place in Ralph's life. When Leaves Fall made me appreciate everything that I have in life, even the smallest of things. Ralph had close to nothing, although he captured my heart from the beginning and never released it. C.A. King's work struck me on a deeply emotional level and made me want to be more diligent in my community. When Leaves Fall conveys a strong message that drives the reader into action. It's a powerful and necessary story that tugs at your heartstrings and inspires you at the same time. I would definitely recommend this tragic thriller to any reader. - Reviewed by Hannah Richburg for Readers' Favorite
